## Do You Think You're Fully Protected?

*Then ask yourself these questions:*

What and Who Determines  
if I am Medically Transferred?

To Where Will I Be  
Medically Transferred?

What About Pre-Existing  
Medical Conditions?

What If I Participate In  
Sports or Adventure Travel?

Are There Co-Pays,  
Deductibles or Other Cost  
Limitations?

While your travel insurance and platinum card programs have important benefits, there may be medical transfer restrictions that could leave you wishing you had additional protection.

Medjet closes this gap.
